

Dear customers,

Two-factor authentication (**2FA**) will soon be mandatory in Austria for accessing '**FinanzOnline**'.

This means that employee tax assessment (income tax declaration/adjustment) can only be carried out online with ID Austria or an alternative (**2FA**) method.

To do this, you will need the following:

- **Your FinanzOnline login details**
- **A smartphone**

To ensure a smooth and timely transition, we recommend that you arrange a consultation appointment with us.

You can reach us at 0676 / 846 954 601.

Email: termin@migrare.at

We will be happy to assist you in setting up two-factor authentication and answer any questions you may have.
