

Information for AMS clients

The federal government has substantially limited the freedom of movement due to the spreading of the Corona virus.

You should only leave your flat/residence for the following causes:

- Essential labour, that cannot be postponed
- Urgent shopping (e.g. grocery, medicine)
- Help for others

We encourage you to take these measures into consideration when searching or applying for a job!

These measures also apply to the AMS! Try to fulfill all your obligations via telephone, mail or your eAMS account.

Please note:

Applications for "Arbeitslosengeld" and "Notstandshilfe" can be submitted WITHOUT personal contact:

- call 050/904 440 or
- have the application forms sent by post (after having called) or
- use your eAMS account or
- use the online form (www.ams.at)

Expect delays and waiting time when calling the hotline!
