

The state government und the Workers' Union of Upper Austria created a „Corona-Härtefonds“ to support Workers and their family members

Who is qualified?

All the normal workers that are not self-employed, who worked and earned their salaries only through their normal job before the Corona Pandemie started and as a result lost their Job or had their job reduced because of the Corona-crisis and in the months of December 2020 and January 2021 turned jobless or faced salary reduction. For you to get a support your last salary paper before the unemployment is required. If your unemployment stated with the first Covid 19 Pandemie in March then the February 2020 salary paper will be required for calculation.

How much support will be given?

The support will be a one time, non refundable and flat-rate payment per Household.
